Renewing Items

with Wisconsin Public Library Consortium OverDrive®

dbooks.wplc.info

OverDrive now allows users to renew and place advance holds on it you currently have checked out. Items can only be renewed once.

The option to renew currently checked out items will become available three days before the checkout expires.

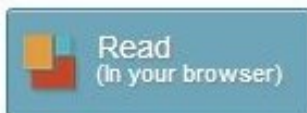

Renewing an Item

1. Log into your library's digital collection website and navigate to your **Account**.
2. On your library **Bookshelf**, locate the item you would like to renew.
3. **If there are NO existing holds on a title**, the **Renew** icon will be green (see example below on the left). In this case, you can then borrow the title again immediately once your first checkout expires by selecting the **Renew** button.
4. **If there are existing holds on a title**, the Renew icon will be gray, (see example below on the right). In this case, you can use the renew feature to reserve a spot on the title's wait list by selecting the **Renew** button.
5. After selecting **Renew**, enter and confirm your email address on the renewal page, then click the Renew button.
6. Once you renew a title, its Renew icon on your library Bookshelf will have a checkmark next to it. As soon as your first checkout expires and the title is available for you to borrow again, you will receive an email notification. Click the link in that email or follow these instructions to borrow the title a second time.

NOTE: You can track which titles you've renewed on your Holds page.
