Renewing Items

dbooks.wplc.info

The Renew option becomes available 3 days before the checkout expires. If the title has holds you cannot renew it, but you can request it again.

Renewing an Item

1. Sign in to OverDrive (dbooks.wplc.info) and go to your **Account**.
2. On your **Checkouts** page, select the **Renew** link next to the item you want to renew. If the item has holds you will not be able to renew it, but you can select **Request Again** to place a hold.
3. Enter and confirm your email address on the renewal page, then click the Renew button.
4. Once you renew a title, you will see a checkmark and the word **Renewed** next to that title on your **Checkouts** page. You can also see which titles you've scheduled to renew on your **Holds** page. As soon as your first checkout expires you will receive an email notification with instructions on how to borrow the title again.

NOTE:

Renewing a title does not mean that it is automatically re-downloaded to your computer or device. If you'd like to re-download your renewed title, you'll have to go back to your **Checkouts** page and download it again.

Changing the Lending Period

You have the option to change the default lending period for digital formats.

NOTE: Only titles borrowed after the lending period is changed will be affected by the change. You cannot change the lending period for titles you have already borrowed.

Changing the Lending Period

1. Sign in to OverDrive (dbooks.wplc.info) and go to your **Account**.
2. Select **Settings** from the menu on the right hand side.
3. Choose a lending period for each format. Your changes are automatically saved.
