

Dear Property Owner:

SUBJECT: North Spring Street Road Construction Project

The North Spring Street road construction project from W. Maple Avenue to Mackie Street will begin next Monday, May 7th. Work between Fourth Street and Mackie Street can't begin until June 4th, when school is let out for summer break. North Spring Street will be reopened to through traffic prior to September 1st, with all work completed by September 15th.

There will be no on-street parking in the construction zone for the duration of the project beginning Monday, May 7th at 7:00 A.M. Advance Construction, Inc. of Green Bay, WI was awarded the contract for the project by the Wisconsin Department of Transportation. The project consists of widening the roadway to accommodate bike lanes in each direction and a center turn lane. Work includes removing existing pavement, water main, sanitary and storm sewer installation, base course, concrete pavement, concrete curb & gutter, concrete sidewalk, permanent signing, pavement marking & street lighting.

The road will be closed to through traffic with a detour route provided along W. Maple Avenue, N. Center Street, and W. Mackie Street. Access for residents, garbage trucks, and postal services will be maintained to the greatest extent practicable during construction. Temporary property access closures are allowed for up to 14 days following the date of concrete pavement, curb/gutter, and/or driveway pours to allow for concrete curing time. Residents will be informed a minimum of 48 hours prior to closing their driveway access.
