

Beaver Dam AARP Tax-Aide Program Canceled

The Beaver Dam AARP Tax-Aide program has been canceled for 2021.

Services will not be available at The Watermark this year; however AARP will have several resources available online. Resources include free access to tax preparation software programs and more.

- Visit aarp.org/taxaide or call 1-888-227-7669 for more information.

In addition to AARP, resources are available from the federal and state government.

- People who make under \$72,000 can file federal taxes for free at irs.gov (Click: File Your Taxes for Free) or call 1-800-829-1040 for more information.
- Also; most Wisconsin residents can file for free at revenue.wi.gov (Click: WI eFile) or call 1-866-947-7363 for more information.

Basic tax forms will be available by contactless pickup or mailbox service while supplies last at the Beaver Dam Community Library.

Specific forms can be printed on request. **Librarians cannot offer tax advice**, so please have the name or number of the form you want when you contact the library.

- Call 920-887-4631, email infodesk@beaverdamlibrary.org or text 66746 for more information.

Additional options and personal assistance is also available.

You can always *let your fingers do the walking* and flip to "Tax Preparation" in the yellow pages of your local phone book, or use the internet to search "tax help" plus your zip code to find many large and small business options to choose from.
