NEWS RELEASE

City of Beaver Dam residents that receive city provided solid waste collection services, are reminded that curbside large-item collection is scheduled for each resident's first garbage collection day in October, which this year is the Monday, October 3 through Friday, October 7 collection routes. The next curbside large-item collection will be in May of 2023.

Large items are picked up on YOUR regular garbage day only and should be curbside by 7:00 a.m. It should be out no longer than 24 hours before.

Items include furniture, mattresses, box springs, carpet, countertops, doors, and windows.

NO plastic, cardboard, or metal should be placed at curbside. These items are all recyclables. Do not place excess household garbage out as it is not part of this large-item pickup. Bags or boxes of garbage will not be collected. Leaving these items at the curb will result in a fine.

Building materials or any type of wood is not picked up curbside and shall be cut to fit, and disposed of, in the weekly garbage collection cart or taken to the bulk truck drop-off which is available twice per month. NO bundled or loose piles of building materials will be collected curbside.

Appliances, tires, batteries, or any electronic items are EXCLUDED from pick-up. These items are not allowed in landfills.

Residents are reminded that there are two opportunities per month to dispose of bulk waste, building materials, and excess garbage at the drop-off site. This service is available year-round on the first Wednesday of each month from 4:00 - 7:00 p.m. and on the third Saturday of each month from 8:00 a.m. – 12:00 noon. The truck for this drop-off is located at the intersection of Myrtle Road and Beltline Drive.

No waste is accepted from non-city residents or from contractors. Violators are subject to municipal citations.

Refer to your Solid Waste Collection Rules, the City of Beaver Dam website at www.cityofbeaverdam.com, or call the Public Works Garage at 887-4635 with any questions.
