

BEAVER DAM
Community Library

2022
SEPTEMBER

**Transforming Lives,
Strengthening our Community**

Early literacy is an important priority in library programming that encourages reading with children from birth on through our 1000 Books Before Kindergarten program, Storytimes for all ages and abilities of children throughout the year, and library visits or field trips for local preschools, Head Start, English Language Learners and local elementary schools.

We encourage families to read together and strive to make the library a destination with materials of all kinds, puzzles, the AWE learning computers, and programs that encourage families to read, play, talk, create, move, and explore.
